

Kimberley Tall Pines – Winter 2013 Newsletter

Hello from Kimberley Tall Pines Condo! We are excited to present to you our very first Kimberley condo newsletter where we will showcase the beauty, attractions and amenities of Kimberley and our vacation rental.

Thank you for choosing to stay with us in the past. We hope it was enjoyable and created many fond memories for you, as it has done for us. Thank you for all of your wonderful comments and feedback in our guest book. Please check out our [reviews](#) and book with us today for a wonderful getaway with your friends and family.

Our 2013 Winter newsletter features an update on Kimberley Alpine Resort, feature restaurant, upcoming accommodation promotion, and more. We hope you enjoy our Kimberley Condo newsletter.

From our Family to Yours

In January 2008 our families rented a cabin at Tall Pines. We had such an enjoyable holiday and made such wonderful memories that we decided to purchase there. We want you to be as comfortable in our home as in your own and that is why we've added extra luxuries to make your stay an enjoyable one.

Tall Pines – Luxury Vacation Rental in Kimberley

We built our condo with the ultimate winter getaway in mind. From granite countertops throughout and top-of-the-line appliances to the gas fireplace and Satellite TV's and indoor/outdoor speakers, we are fully equipped with everything you need for a relaxing stay.

Warm up and relax with a steam shower after a day on the slopes. Unwind in the deep jetted tub or enjoy our private outdoor hot tub. [Gallery](#).

Let it Snow!

After receiving nearly 100 cm in the last week, which fell on an already healthy snowfall of over a metre, Kimberley has the most snow for December that it's had in 22 years! Kimberley Alpine Resort officially opens December 14th with over 1,800 acres and 80 runs to ride. Check out their live [webcam](#).

The Kimberley Nordic Club trail network consists of a variety of double track set trails with centre skating lands, the longest loop being 7 km, there are also 5 km and 3 km loops. There are also a variety of single track set secondary trails and a 3.3 km loop lit for night skiing.

From skiing and snowboarding to snowshoeing and cross country skiing, there are plenty of winter activities for everyone!

Feature Restaurant

Take a trip back in time at [The Old Baurnhaus](#), located only steps away from the Tall Pines condo. Built more than 350 years ago near the city of Munich in Bavaria, Germany, this farmhouse sheltered servants of a nearby castle who cultivated an apple orchard, served as a cinder pub and even survived the black plague. In 1987 the house was taken apart in Germany and two years later packed into two containers and sent to Canada by ship where it was reconstructed in beautiful Kimberley, BC.

Enjoy freshly prepared specialties in this original reconstructed Bavarian farmhouse. Hosts & Chefs, Nils & Michelle Fuhge serve delicious and authentic Bavarian fare.

From mouth-watering Bavarian Feast to homemade Wienerschnitzel, you will have the ultimate dining experience at The Old Baurnhaus.

Winter Promotion

Book 5 nights at Kimberley Condo by December 20th and receive 2 additional nights free! This will give you a few more days to enjoy the beauty of Kimberley.

Offer excludes Christmas and Easter breaks.
